

A Mobility Solution for Hospitality

Versity hospitality smartphone

Redefining an exceptional guest experience

Imagine a smartphone that offers guaranteed coverage, secure access to guest data, is easy to use, will not break if dropped, and has hot-swappable batteries for 24x7 use. Then imagine Spectralink Versity!

Communication is essential to the delivery of the extraordinary guest experience that fosters loyalty and positive social reviews.

However, operational efficiencies and data security requirements are essential to profitability, so finding the right device has been difficult – until now!

Versity solutions provide access to secure guest data, applications, real-time response analytics and clear staff communication to enable service excellence and staff productivity.

Versity solutions address your specific dual-purpose hospitality requirements by combining:

- Access to secure guest data
- Superior call-quality and coverage
- Task allocation management and auditing
- Durable design for low cost of ownership

Versity, a next-generation solution improves staff productivity, lowers costs, while supporting the delivery of an exceptional guest experience.

Spectralink Versity enables hospitality employees to:

DELIVER EXCEPTIONAL GUEST EXPERIENCES

- Instantly access guest requests to provide a timely and personalized response
- Stay connected 24x7 and cater to tech-savvy travelers
- Communicate and collaborate with colleagues to offer a coordinated guest experience

OPTIMIZE WORKFLOWS THROUGHOUT THE PROPERTY

- Reduce costs and increase team member efficiency by automating task lists and reporting
- Enable guests to manage their own experience, at their convenience
- Ensure access to data that enables employees to tailor guest services

INCREASE GUEST SATISFACTION

- Enhance experiences by interacting via the same social apps and mobile channels
- Allow guests to connect to services online, send maintenance, service orders and requests
- Support green initiatives with paperless workflows for checkout, maintenance, etc.
