## MTouch E2 Touch Panel

MTouch E2 is Yealink's third-generation conference touch panel. It is an enhancement of MTouch II. Designed with the idea of multi-function all-in-one, the MTouch E2 touch panel allows you easily perform call control, camera control, content sharing and other functions. At the same time, MTouch E2 has a built-in Human Motion Sensor that the conference system can automatically wake up and you can immediately start the conference.
